UpToDate INTRODUCTION. Globally, maternal mortality has been falling, with substantial variation among countries and within countries [].In contrast to the global trend, maternal mortality in the United States has been increasing in recent decades [].Potentially life-threatening, near-miss, severe maternal morbidities represent events that would have resulted in a maternal death during pregnancy and ... Antidepressant - Wikipedia Studies have shown that the use of antidepressants is correlated with an increased risk of suicidal behaviour and thinking (suicidality) in those aged under 25. This problem has been serious enough to warrant government intervention by the US Food and Drug Administration (FDA) to warn of the increased risk of suicidality during antidepressant treatment. Major depressive disorder - Wikipedia Major depressive disorder (MDD), also known simply as depression, is a mental disorder characterized by at least two weeks of low mood that is present across most situations. It is often accompanied by low self-esteem, loss of interest in normally enjoyable activities, low energy, and pain without a clear cause. People may also occasionally have false beliefs or see or hear things that others ...
