Data Solutions Management - [Free] Data Solutions Management PDF Ebooks Concept. The concept of data management arose in the 1980s as technology moved from sequential processing (first cards, then tape) to random access storage. Since it was now possible to store a discreet fact and quickly access it using random access disk technology, those suggesting that data management was more important than business process management used arguments such as "a customer's ... - Mon, 15 Apr 2019 18:21:00 GMT Information Management & Governance Solutions—Data and ...
