Foucauldian Reflections: Searle and Foucault on Truth In this case, Prado contrasts what he calls Foucault's discursive-currency view of truth from John Searle's relational conception of truth. He argues that although Foucault and Searle have diverging views of truth, they share a commitment to realism, that is, the view that there is a reality out there that affects our experience. Searle and Foucault on Truth // Notre Dame Philosophical ... C. G. Prado, Searle and Foucault on Truth, Cambridge University Press, 2005, 196pp., \$24.99 (pbk), ISBN 0521671337. Prado's discussion of Searle is fairly critical. In particular, he takes up Searle's discussion of the background capacities and social conventions necessary to have certain beliefs ... Searle and Foucault on Truth - Cambridge University Press Establishing that Foucault is not an irrealist is central to showing that his and Searle's views on truth both merit serious consideration and are not incommensurable in defining paradigmatic realist and irrealist understandings of truth. Once it is seen that Foucault is as much a realist as Searle, their accounts of truth can be better ... Searle and Foucault on truth (eBook, 2006) [WorldCat.org] Get this from a library!
