Open-source software - Wikipedia According to the Free software movement's leader, Richard Stallman, the main difference is that by choosing one term over the other (i.e. either "open source" or "free software") one lets others know about what one's goals are: "Open source is a development methodology; free software is a social movement." Nevertheless, there is significant overlap between open source software and free software. CutePDF - Convert to PDF for free, Free PDF Utilities ... CutePDF Writer #1 Free PDF Converter!
