History of statistics - Wikipedia The history of statistics in the modern sense originates from the term statistics, coined in 1749 in Germany. Although there have been changes to the interpretation of the word over time. The development of statistics is intimately connected on the one hand with the development of sovereign states, particularly European states following the Peace of Westphalia (1648); and the other hand with ... Home [publicadministration.un.org] CEPA to take stock of institutional dimensions of SDG 16 at its April 2019 session The Committee of Experts on Public Administration will hold its 18th session at the United Nations in New York from 8 to 12 April 2019.
